Congratulations Danya Stump!

2026 Michigan CEC Dr. William Cruickshank Professional Service Award Winner

For more than 27 years, Danya Stump has dedicated her career to supporting young children with disabilities, their families, and the educators who serve them. Currently an Early Childhood Consultant at Oakland Schools, Danya is a trusted leader in early childhood special education, providing professional learning, consultation, and guidance that strengthens inclusive practices across the county.

Danya's commitment extends well beyond her professional role. Through Michigan CEC, she has served as Co-Chair of the Communication and Membership Committee, Secretary, and currently serves on the Board as President Elect. She has also supported the Michigan Division for Early Childhood and advocated for children with disabilities at both the state and national levels.

Through her compassion, leadership, and commitment to inclusive education, Danya has made a lasting impact on countless children, families, and educators. Michigan CEC is proud to recognize Danya Stump as the recipient of the Dr. William Cruickshank Professional Service Recognition Award.
